SUBJECT: CORRECTIONS TO FINAL REPORT FOR THE 2001 METHYL
BROMIDE AND 1,3-DICHLOROPROPENE AIR MONITORING IN
KERN COUNTY

Attached is a table of corrections to the final report, "Ambient Air Monitoring for Methyl Bromide and 1,3-Dichloropropene in Kern County – Summer 2001." The table lists the values that were originally listed in the monitoring and laboratory reports along with the corrected values. Most of the errors were the result of a mix-up in the transfer of final data. We regret any inconvenience this may have caused you in your evaluation of methyl bromide and 1,3-dichloropropene ambient air concentrations.

If you or your staff have questions or need further information, please contact me at 322-3726 or Kevin Mongar at 322-2449.
